## Annex to the Study Regulations

### Social and Cultural Anthropology

Academic Level: Master

Program Format: Major-Study Program 90 ECTS credits

Program Type: Consecutive

Degree: Master of Arts UZH in Social Sciences

### Admission Requirements

A Bachelor's degree in Social and Cultural Anthropology/Ethnology is required for admission. With the required field of study but without sufficient subject knowledge, admission is conditional. The lack of knowledge will be identified based on the professional requirements profile.

If no Bachelor's degree in the required field of study is available, admission sur dossier is possible if the professional requirement profile is fulfilled. If sufficient professional knowledge is lacking, admission is subject to conditions. The missing knowledge is identified on the basis of the professional requirements profile.

Subject-specific requirements profile: Admission to the consecutive major program in Social Anthropology requires 48 ECTS credits of relevant prior subject-specific knowledge. Applicants without relevant knowledge according to the table below will receive additional requirements and/or conditions:

Expected Coverage of Content Areas	Expected Competencies	Module Types Corresponding to Content Areas
Introduction to Social Anthropology	Basic knowledge in the subject of social anthropology - 18 ECTS credits: - Working with Anthropological Texts - History and Theory in Anthropology	P
Core Fields in Social Anthropology	Solid knowledge of the core fields in social anthropology to the extent of 18 ECTS credits.	WP, W
Regional Anthropology	Achievements from the field of regional anthropology to the extent of 6 ECTS credits.	W
Anthropological Practice	Achievements from the field of anthropological research methods to the extent of 6 ECTS credits.	W

Admission without conditions is granted for applicants with a Bachelor's degree in the Social Anthropology major program or in the Social Anthropology minor program of the University of Zurich.

### Combination Bans

The major study program Social and Cultural Anthropology 90 ECTS credits cannot be combined with the minor study program Social and Cultural Anthropology 30 ECTS credits.
